HOUSE PLAYS

Maisy and I have had such a brilliant time together. I really enjoyed singing Mamma Mia in front of the whole school but I was **SO** nervous.
Ruth Year 7

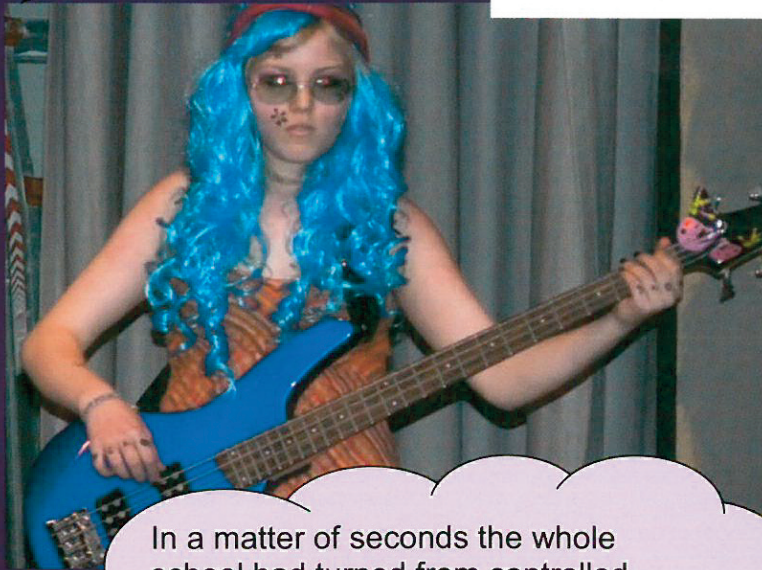

We loved it when Sophie Mitchell sang to us.

Rocking out with 'The Flaming Whammies'

Bristol's concert brought a smile to everyone's faces

BRISTOL

In a matter of seconds the whole school had turned from controlled rows to an enthralled mass, of mad, terrifying rockers. The teachers' threats of detentions were empty!

I was really nervous doing the Grimm's Fairy Tales for Babington and I couldn't stop squeaking.

ADELAIDE

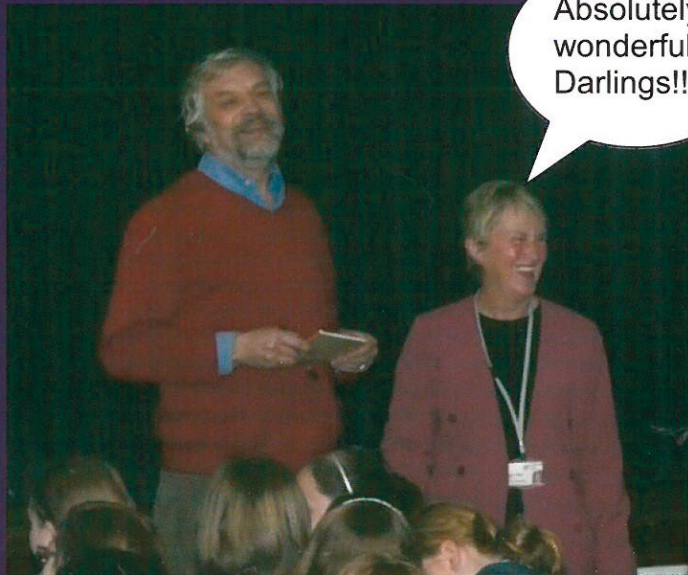

BABINGTON

CHICHESTER

I loved watching the house plays.

Absolutely wonderful Darlings!!!

I like it when I met Lila, Heather, Georgia and Ella - they are my BFFs.

On Ascension Day a confused Heather Jones announced that she'd told her Mum they were having an Assassination Day Service.

I was really proud when we went to the swimming nationals and were in the finals.

One day playing netball, almost snowing, absolutely freezing and my legs went blue.
