FAVOURITE ASSEMBLIES...

Mr. Hatherley's
"sausage assembly"

Once Mr. Hatherley and Mr.
Hargreaves were talking about
comedy and then did some very
unexpected pole-dancing!!!

Year 13's Final Assembly was
fantastic . It was very creative and
although it poked fun at the staff it
was done with fondness. It was
presented in such a way that it
captured everything that is good
about St Mary's Hall.

I will never forget all the assem-
blies spent in the
common room sharing jokes.
(!!!!!!!!!!!!)

We thank you Lord for giving us
vision; the power to look back on
the past and imagine what the
future has to hold, to see all the
beautiful moments of the pre-
sent. Amen.

Great, interesting and
amusing
assemblies.
