**Grumpy

**Terrible

**The Maths Dept.:  
Pretty in Pink.**

Difficult to  
colour co-ordinate  
when you're sozzled!

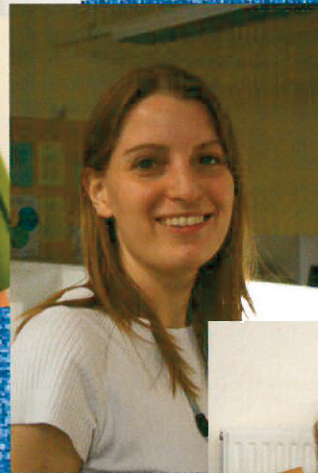

I will miss the  
amazing view from  
my English room on  
the 4th floor.

I'm going to miss that each  
teacher had their own individual  
quotations and most of those quo-  
tations are mad, just like the  
teachers.

**We've lost the girl!!!**

Look for the good in people and cherish them.

The spirit of SMH, summed up by the way we always support one another, is what I will miss most.

# WORK, REST & PLAY...

Chrissie at lunch is always so cheery and never fails to make me smile.
