

YEAR 7's CHRISTMAS FAIR

Meeting my new friends has to be my favourite memory.

I loved going to Raystede to see how much I could help animals in need.

When all Year 7s went to Raystede and I fell in love with a dog in the kennels.

In this camp I learnt many things.
I learnt how to build up a tent
and take care of myself.

YEAR 8

We had so much fun on
Year 8 Camp!

There was lovely food cooked by Mrs. Jensen who Miss Whittaker called our 'Mum'.

I think the best thing about Camp was our class becoming closer together. We felt the closeness of our friendships grow.

I loved the feeling after I had been rock climbing. Kumi Mak
